A Shift in God's Favor is here!

There is a shift in Nimba County in their thinking, their circumstances, and in their spiritual understanding of who God is! Addressing Literacy

My people are destroyed for lack of knowledge (Hosea 4:6). The people of God in Nimba County are eager to learn from the young to the old.

PRAYER WALK

The Preparation

Prayer team
In moving toward spiritual maturity, the people wrote on one side of their rain proof fabric their hindrances, fears, doubts and shame. On the other side they wrote about moving forward with God. He is able. The children wrote on their balloons, JESUS and GOD loves you.

The Walk

The procession was a display of worship as the participants walked with their banners, balloons, and flags. All was designed to foster prayer for the people and places they encountered. Their ultimate goal was not just to bring hope to the lost, but to inspire others to join them on this journey.

The Celebration

The people remembered what the Lord had done and is doing in their lives! They rejoiced in who He is presently in their lives!

Baskets for Mothers and Baby's

We're running a Mom and Baby Campaign and looking for financial help. Our goal is to give mothers baskets to help them as they start their journey into motherhood. We'll buy the items for these baskets locally in Liberia, West Africa, which is cheaper. This way, we can get more items for our money and make sure the mothers get them quickly. Shipping from overseas is costly and can take 3-4 months, so buying locally is the best option. Your help in spreading the word about our campaign would mean a lot to us. By sharing the information, you can assist us in reaching our target and supporting these new moms.
